ADDISON
dedicated outdoor air solutions

AERCO
A WATTS Brand
boilers & water heaters

AirFixture
underfloor air distribution systems

Climate by Design INTERNATIONAL
air rotation, desiccant, mau

condair
humidification products

envirosep
A TILTECH COMPANY
fluid & heat recovery systems

eXcool
advanced data center cooling

FLEXSYS
underfloor air distribution systems

FRIEDRICH
variable refrigerant packaged heat pump

hpt HEAT PIPE TECHNOLOGY
energy recovery and dehumidification systems

LG
variable refrigerant flow systems

VERTIV
Liebert®
power & thermal management

MARLEY
industrial & commercial cooling towers

MARLO
HEAT TRANSFER SOLUTIONS
custom heat transfer coils

MI
noise & vibration control products

SLD TECHNOLOGY
healthcare air distribution

SPX
COOLING TECHNOLOGIES
cooling towers, fluid coolers, condensers

STROBIC AIR
TECHNOLOGIES
critical air exhaust systems

Tate
access flooring, raised floor, hot/cold aisle containment

TECHNICAL SYSTEMS
DIVISION RAE CORPORATION
custom condensing units, chillers, fluid coolers

DATA POWER TECHNOLOGY GROUP

LINE CARD

- Nebraska
- North Dakota
- South Dakota
- Iowa
- Illinois

Critical Labs
cloud based infrastructure monitoring & alerting

Danfoss
variable frequency drives

Dectron
DRY-O-TRON
indoor pool & industrial dehumidification

E+I ENGINEERING GROUP
power busway systems

ingenia
INNOVATION & TECHNOLOGIES
custom air handling units

JOHNSON
AIR-ROTATION® SYSTEMS
air rotation systems

Johnson Controls
vav, packaged indoor & rooftop units

KRUEGER
Excellence in Air Distribution
grilles, registers, diffusers & vav boxes

nyle
water heating systems
water heating systems

Phoenix Controls
precision airflow control

prihoda
tailor-made air ducting & diffusers

ROBERTS GORDON
The Exclusive Producer of CORAYVAC
corayvac infrared heating & radiant heaters

Tecogen
Clean Energy Solutions
clean energy solutions

VERTIV
ups, surge suppression, dcim, precision cooling

WaterFurnace
Commercial Solutions
water source heat pumps

YORK
A JOHNSON CONTROLS COMPANY
fan coil, chiller, & ahu
