

hvac retrofit solutions
● ●

fans, ventilation products
● ●

dedicated outdoor air solutions
● ●

kitchen vents, exhaust, fire suppression, mau
● ● ●

custom curb adapters
● ● ●

industrial hvac equipment
● ●

custom air handling units
● ●

industrial fans
● ●

green air handling units
● ●

modular chillers, packaged rooftop units
● ●

air rotation, desiccant, mau
● ●

safe, smart & efficient airside solutions
● ●

underfloor air distribution systems
● ●

custom air handling units
● ●

indoor air quality monitoring
● ● ●

smart thermostats & zone control
● ●

plug & play power, controls and networking systems
● ●

energy recovery, sheetmetal specialties
● ●

humidification products
● ●

specialized louvers and dampers
● ● ●

commercial/industrial replacement parts
● ●

industrial water strainers
● ● ●

pressure stack chimney exhaust systems
● ●

active chilled beams & infusers
● ●

risk management software, water reclamation systems
● ●

variable frequency drives
● ●

surge protection devices, automatic transfer switches
● ● ●

air doors and fabric air duct
● ● ●

power busway systems
● ● ●

ceiling air diffusers
● ●

battery room spill containment & safety products
● ● ●

large diameter ceiling fans
● ●

advanced data center cooling
● ● ●

thermal monitoring
● ● ●

custom hydronic packages
● ● ●

generator/load bank connection products
● ● ●

ultraviolet light sterilization
● ● ●

variable refrigerant packaged heat pump
● ● ●

rack pdus and infrastructure management (dcim)
● ● ●

adiabatic & hybrid dry coolers
● ● ●

process fluid chillers
● ● ●

air purification solutions
● ●

energy recovery and dehumidification systems
● ●

data center raised floor systems
● ● ●

air rotation systems
● ●

fan coil, vav, packaged indoor & rooftop units
● ●

smart heating solutions
● ●

portable cooling systems
● ●

grilles, registers, diffusers & vav boxes
● ●

portable cooling systems
● ●

variable refrigerant flow systems
● ●

power & thermal management
● ● ●

gas detection
● ●

hydronic & DX air supply products
● ●

industrial & commercial cooling towers
● ● ●

custom heat transfer coils
● ●

wall mount & self-contained hvac
● ● ●

noise & vibration control products
● ●

free cooling, medical, and process chillers
● ● ●

plate & frame exchangers
● ● ●

water heating systems
● ●

wireless power & environmental monitoring
● ● ●

air flow monitoring
● ●

power distribution cables
● ● ●

water filtration solutions
● ● ●

precision airflow control
● ●

indoor air quality
● ●

transformers
● ● ●

tailor-made air ducting & diffusers
● ●

surge protection devices
● ● ●

slot diffusers & plenums
● ●

closed loop fluid coolers
● ● ●

custom & modular boilers
● ●

corayvac infrared heating & radiant heaters
● ●

energy recovery wheels
● ●

shell and tube heat exchangers
● ● ●

unit heaters, convectors, fin tube
● ●

healthcare air distribution
● ●

ventilation products
● ● ●

fiberglass reinforced duct
● ●

critical air exhaust systems
● ●

access flooring, raised floor, hot/cold aisle containment
● ● ●

custom condensing units, chillers, fluid coolers
● ● ●

heaters, exhaust fans, mau, kitchen plenums
● ● ●

variable frequency drives
● ●

louvers, dampers, vav terminals, plenums
● ●

flywheel power systems
● ● ●

water source heat pumps
● ●

vertical heat pumps & fan coils
● ●

chiller, ahu & split systems
● ● ●

combustion & environmental systems
● ●

micro-automatic transfer switches
● ● ●

Manufacturer LINE CARD

● Nebraska

● South Dakota

● Iowa

● Illinois
